The Return of the King (November 5, 2003) - In addition to completely replacing the site path once again, the third base set added the new mechanics of threats (tokens that had to be assigned as wounds when a companion or ally was killed) and initiative, which either Free Peoples or Shadow player had based on the number of cards in their hands. It

also introduces Shelob as the only other minion for the [Gollum] culture and featured characters with the powerful keyword enduring, who increased in strength after gaining each subsequent wound.
