## 12 Angry Men Movie Assignment

The movie 12 Angry Men is the story of twelve jurors trying to reach a verdict on a murder trial. After the first vote, eleven of the twelve agree the defendant is guilty but one man believes there's more to discuss. He then begins to break down the details of the case the way he believes the defendant's lawyer should have. The movie shows how the diverse personalities that make up a jury can affect the dynamics of deliberation and the verdict itself. Despite the release date of 1957, the movie still depicts many of the real life aspects of jury duty today.
